Rotating Schedule

Introduction

In recent years, the traditional 72 hour work schedule has been decreasing in popularity among the operational staff. After listening to complaints from coworkers over the years something needed to change.

People were saying they wanted...

Better Working Conditions

Better Family Life at Home

Increased Safety For Themselves and Their Crews

Fairness & Equality to Everyone

Timeline

Mid 2012

Created a rough draft of the schedule

Sept 2012

Drafts were given to firefighter's to help with feedback.

April 2013

On behalf of an estimated 90 firefighter's, it was presented to the Riverside County L2881 Chapter.

July 2013

Schedule was presented to the Riverside County Chief's Executive Staff.
(Division & Deputy Chiefs)

Oct 2013

MVU - City of San Miguel, passed with a 2/3 majority vote to begin a trial starting April, 2014 for 7 work periods (One Cycle).

Oct 2013

Schedule was presented at the annual Chief's Operational Meeting.
(Battalion, Division & Deputy Chiefs)

Present

Several Units have adopted the schedule and chose either a Single, Double or Triple work period adjustment.

Concept

Originated in RRU Battalion 17 to allow a 3 station module equal rotation. It was based off the 48/96 fire department schedule, where the 1st day of your previous working-shift, would be the last day of your upcoming shift.

Overview

Each employee will be moving back 2 days when the work period(s) ends.

As the days rotate each work period(s), there will be some offset shifts throughout the calendar year.

You'll average 3-4 (24hr & 48hr) shifts a year if you move back each work period.

If you choose to move back after (2) work periods, those (24hr & 48hr) shifts will be reduced.

24hr shifts are on Monday's & Sunday's

48hr shifts are on Mon/Tues & Sat/Sun

The department is changing drastically every year! Members will be fighting for weekday shifts and it creates more of a hassle than anything. Let's listen to our brothers & sisters whom we work with and make new changes. Let's make better working conditions, bring fairness & equality to everyone...which will then boost morale.

...and most importantly, your own family life at home will be better. You'll be able watch you son's ball games, daughter's dance recital or go take your spouse out for the weekend!
